Risk assessment

You should review your policy if you think it might no longer be valid, e.g. if circumstances change.
If you have fewer than five employees, you don't have to write down your policy.

Health and safety law poster is displayed at (location)	
First-aid box is located:	Office Desk
Accident book is located:	Office Desk

Company name: Charlies-Angel-Centre Foundation

Date of risk assessment: January 2022

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to control this risk?	Action by who?	Action by when?	Done
Slips and trips	Staff and visitors may be injured if they trip over objects or slip on spillages.	General good housekeeping is carried out. All areas well lit, including stairs. No trailing leads or cables. Staff keep work areas clear, e.g. no boxes left in walkways, deliveries stored	No	All staff, Supervisor to monitor Manager		
Covid 19	Staff and visitors at risk if instructions not followed. We will assess all clients on an individual basis and assess risk based on the need for the client to have face to face instead of remote outweighs the potential risk of the new strain of Covid19 and the government advice to work from home. The risk assessment in place considers the new variant of Covid 19."	Sign in and out sheet with name, phone number and postcode in the reception area,(track & trace) Hand sanitizer provided in reception area Poster's provided around the centre with easy read Instructions. 15 minutes between appointments, so each room is able to be cleaned.	No	All staff and clients		

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to control this risk?	Action by who?	Action by when?	Done
<p>Outbreak of COVID-19 within clinical setting students infected as part of the counselling work placements taking place</p> <p>Severe Illness</p> <p>Hospitalisation</p> <p>Deaths</p>	<p>Student</p> <p>Client</p> <p>Charity staff</p>	<p>If a student/client/staff develops symptoms of Covid 19 they will be sent home/hospital following the First Aid Guidance as set out in our policies and procedures.</p> <p>If the student/client/staff is sent home or we receive a call from a student/client/staff saying they believe they have symptoms then they will be asked to not attend the Centre and to self isolate for 7 days and that they ask all household members to self isolate for 14 days.</p> <p>They must be asked to arrange for a test by visiting NHS.UK or telephoning NHS 119. If the test comes back negative then the student/client/staff can return back to the Charity Centre.</p> <p>If the student/client/staff tests positive then they must inform the charity. All those that have had close contact with the student/client/staff will be contacted and told to self isolate for 14 days.</p>	<p>No</p>	<p>All staff and clients</p>
